Soft padded seat for riding

SKU MT54019

SKU MT54019

SKU MT52019

A comfortable padded seat for a comfortable ride on a sled. The seat filler has a dense degree of foaming, does not go stray and does not sag during operation. The fabric has been treated with a water-repellent treatment, hence the child's clothes always remain dry.

When snow melts or liquid spills, they are easily shaken off the surface. The fastening of the seat on the sled is provided by straps and convenient plastic buttons.

SIZE
height of the backrest 350 mm
length 500 mm
width 290 mm

Ice-boats for winter skiing from a hill. Due to the high-strength sliding surface with a low coefficient of friction, the ice-boats perfectly fulfill their main task. Lightness, shape and convenient handles provide the most comfortable operation of the ice-boats. The heat-insulating filler inside the product will make sliding comfortable.

BOXER
BECOME A CHAMPION

Boxing kits

Boxing kits contain everything you need for sports.

Boxing gloves contain a protective membrane, a dense foam filler protects the hands from injuries, and a wide flap closure reliably fixes the wrist.

The durable fabric is designed to withstand loads and is resistant to wear. Durable hanging punching bag takes up a minimum of space in the house, sports equipment improves the physical shape of the child, develops his agility, reaction and coordination. The boxing paw effectively dissipates the energy of impact, guarantees effective protection of the hand, elbow, and shoulder.

Thematic kits

Police uniforms

The policeman's uniform will help to create a brave and heroic image, perfect for a boy. In a police uniform, a child can participate in a performance, training event, and even games with friends.

The certificate and the staff included in the kit complement the image of a little law enforcement officer.

Fireman's uniform

The fireman's suit is an interesting option of the fireman's uniform. In this dress, your boy feels like a brave savior. This costume is useful for games, training events or stage performances.

In addition to a fire helmet and overalls, the costumes are complemented by a toy walkie-talkie, fire extinguisher, hatchet, and crowbar, which will help the child get used to the role of a firefighter.

Thematic kits

Costumes of a medical worker

Children's costumes allow them to play the roles of real doctors who perform responsible and important work - take care of people's health. The costume sets include functional toy medical instruments: working stethoscopes with the ability to hear sounds from the membrane, thermometers with a movable scale, syringes with movable pistons, eyeglasses.

Builder's vest

Bright colors of the vest make a person in such overalls more noticeable, and the presence of a reflective strip shows it in the dark.

The plot and role play Builder's suit diversifies children's leisure and decorates any game. The role of the master is reinforced by the toy hammer that comes with the vest, and ruler, toy saw and wire cutters.

Chef's costumes

Children's chef costume will turn the child into the main one in the restaurant's kitchen. The chef's costume comes in handy for games, theater performances, and help in the kitchen. The suit can be supplemented with wooden spatulas, spoons - tools of the chef.
